

HO-CHUNK NATION DEPARTMENT OF HEALTH

Virtual Education Video Checklist

By purchasing a car seat from the Ho-Chunk Nation Car Seat Program I understand, from the educational materials presented to me, the importance of correct installation and use of this car seat. I have received education from a Child Passenger Safety technician, on the proper installation of the car seat. If I am involved in a crash while this seat is in use, I will return the seat for a replacement at no additional charge.
