**RE: Notifying community event attendees who may be at-risk for COVID-19 exposure**

The Ho-Chunk Nation Department of Health is reporting potential risk for community exposure to COVID-19 at a recent community event.

On October 25th, 2020, the Ho-Chunk Nation Department of Health became aware of an individual, who had active symptoms of COVID-19, and tested positive for COVID-19. This individual attended a Funeral Service in Green Bay on October 21st while experiencing symptoms.

The Ho-Chunk Nation Department of Health staff are uncertain of the number of people exposed during this time. **We request that those who attended the Funeral Services or the meal following the services on October 21st self-quarantine and monitor for symptoms.**

Symptoms of COVID-19 may include cough, tiredness, muscle aches, fever, difficulty breathing, loss of smell/taste and sore throat. Rarely, some people may develop an upset stomach.

**Individuals should stay home from work and school. If symptoms should occur please call the Ho-Chunk Nation Department of Health at 715-284-9851 or 608-355-1240.**

**If you attended this event it is important that you stay home as much as possible to limit the spread of the disease. Even if you do not currently have any signs or symptoms you should quarantine yourself.** Continue to wash your hands with soap and water, use hand sanitizer and routinely disinfect commonly touched surfaces within your home.

If community members plan to seek medical care, they should call ahead and notify the clinic of the potential COVID-19 exposure so that precautions can be made to prevent further spread. If you have questions you may also contact the Health Department by email at [coronavirus@ho-chunk.com](mailto:coronavirus@ho-chunk.com).
