See full list at:
<https://www.cdc.gov/coronavirus>

The distribution timeline is undetermined, and will be based upon vaccine allocations, which are limited. The Ho-Chunk Nation Department of Health is not provided advance notice on when we will receive additional vaccine, or how many doses will be received.

We will continue to keep leadership, community members, and employees updated as new information is available. Please remember to continue to stay safe by wearing a mask while outside your home, social distance when you must go out in public, avoid large gatherings of people, and routinely wash your hands. Take care of one another.
