

If you are fully vaccinated for COVID-19 you can:

- ✓ Reduce the number of deaths in our community
- ✓ Reduce the number of hospitalizations in our community
- ✓ Reduce long term complications of COVID-19
- ✓ Increase ability to get community members back to work
- ✓ Increase our ability to practice our culture and traditions more safely
- ✓ Visit with other fully vaccinated people indoors without wearing masks or physical distancing
- ✓ Visit with unvaccinated people from a single household who are at low risk for severe COVID-19 disease indoors without wearing masks or physical distancing
- ✓ Refrain from quarantine and testing following a known exposure if asymptomatic
