DEPARTMENT OF HEALTH

MEDIA RELEASE

FOR IMMEDIATE RELEASE

September 15, 2022

The HCN Department of Health would like to announce that it has received its national accreditation status through the Public Health Accreditation Board. We are proud to have our work and programs nationally recognized becoming only the 5th Tribe to achieve this goal. PHAB accreditation has helped our health department formally advance meaningful community engagement, incorporate transparency to stakeholders, and embrace discussion with leadership. Through our accreditation efforts we remain committed to “building a strong mind, body, and spirit together.” Waza highiwire
