SECTION V: FIRE MEASURES

Flash Point: N/A
Flammability limits: N/A
Extinguishing media: Water, dry chemical, foam
Unusual fire hazards: N/A

SECTION VI: ACCIDENTAL RELEASE MEASURES

Not Applicable

SECTION VII: HANDLING AND STORAGE

This product is considered an article which does not release or otherwise result in exposure to a hazardous chemical under normal use conditions.

Do not puncture the product.

SECTION VIII: EXPOSURE CONTROLS

This product is considered an article which does not release or otherwise result in exposure to a hazardous chemical under normal use conditions. No engineering controls or personal protective equipment are necessary.

SECTION IX: PHYSICAL PROPERTIES

Physical State: 4 inch strip

Color: White with blue and black print and foil back

Odor: N/A

pH: N/A

Vapor Pressure: N/A

Vapor Density: N/A

Boiling Point: N/A

Melting Point: N/A

SECTION X STABILITY AND REACTIVITY

Stable.

SECTION XI TOXICOLOGICAL INFORMATION

This product, when used in accordance with instructions for use, should not present a health hazard. However, use or processing of product in a manner not in accordance with product's instructions for use may affect the performance of the product and may present potential health and safety hazards.

SECTION XII ECOLOGICAL INFORMATION

Not determined.

SECTION XIII DISPOSAL

Dispose product in accordance with regional and local regulations.

SECTION XIV TRANSPORT

Product is non-regulated; no special measures are required.

SECTION XV REGULATORY INFORMATION

This product is considered nonhazardous under normal use conditions.

SECTION XVI OTHER

The above information is based on data considered accurate at the date of preparation. However no warranty is expressed or implied regarding the accuracy of this data.
